

## **Respect in Sport Parent Program**

The Respect in Sport Parent Program is an effective and informative online training program for parents of active children. This unique certification program complements Respect in Sport for Coaches/Activity Leaders by reinforcing a parents role in a child or youth's activities, encouraging positive sport behaviors, and providing insight into the various roles other individuals (such as coaches and officials) play. This program empowers parents to ensure the safety of their children, encourage positive and effective communication, and to enhance a child's fun and camaraderie of the activity.

The program is mandatory for parents of first year players in Hockey NL beginning the 2012-2013 season and will be mandatory for all parents in 2013-2014.
