

IMPORTANT MEMORANDUM

TO: All Hockey NL Members and Participants
FROM: Jack Lee, President Hockey NL
DATE: February 19, 2019
RE: CODE OF CONDUCT

We wish to take this opportunity to remind all of our membership the importance of ensuring our hockey environment is one where individuals are treated with respect.

We would like for you to provide the widest circulation to your respective membership, (players, coaches and parents) the link to our code of conduct expectations in our game. This can be located and accessed in our policy manual beginning on page 5 section 1.05., through the following link. <http://hockeynl.ca/wp-content/uploads/2019/02/Policy-Manual-as-amended-September-2018.pdf>

We have a zero tolerance policy against the inappropriate misconduct towards our game officials. We have had too many infractions this season of abuse of game officials, especially our young officials, reported to us against coaches, players and spectators. This type of misbehavior has a negative impact on the retention of games officials in the system and also the growth and development of this important area of our game.

We urge you to work with your members and local officials, to all work together to make the game enjoyable for all those involved.

We thank you in advance for giving this your attention as I am sure we all recognize the need to constantly remind our key stakeholders about respect.

Regards,

Jack Lee
President
Hockey NL
