Please find attached a copy of the 2nd Grading Report for the 2026 Steele Hotels Female Provincial Tournaments Powered by PAL Airlines.

Provincial Team Information Form

The Provincial Team Information Form was distributed with the 2nd Grading Report. This mandatory form for all Female Provincial Teams must be completed and submitted by January 24, 2026.

Provincial Tournament Host Sites

Host sites for Provincial Tournaments will be selected during the Final Grading process. Please note that host associations are not permitted to charge admission fees for Provincial Tournaments. To help offset tournament-related expenses, host associations are encouraged to explore alternative fundraising options such as ticket sales or merchandise initiatives.

Associations wishing to host a Provincial Tournament are asked to complete the Host Application Form provided below.

Game Data Submission

All game scores—including exhibition, league, and tournament games—must be submitted to femalehockeynl.ca within 48 hours of game completion. Tournament hosts are also encouraged to submit all tournament results promptly.

At this time, several teams have yet to submit any game results. To ensure accurate grading, it is essential that all teams submit their game data. The accuracy of the Final Grading Report depends heavily on the completeness and reliability of the information provided.
